x Soren Liv

At Soren Liv, we live for beautiful design — and we're genuinely inspired by the direction you're taking with the Mountain Oaks development.

Partnering with us gives you access to a dedicated team, deep experience in furnishing projects just like this, and more than 20 years of New Zealand-based creation and curation of furniture made to be lived with.

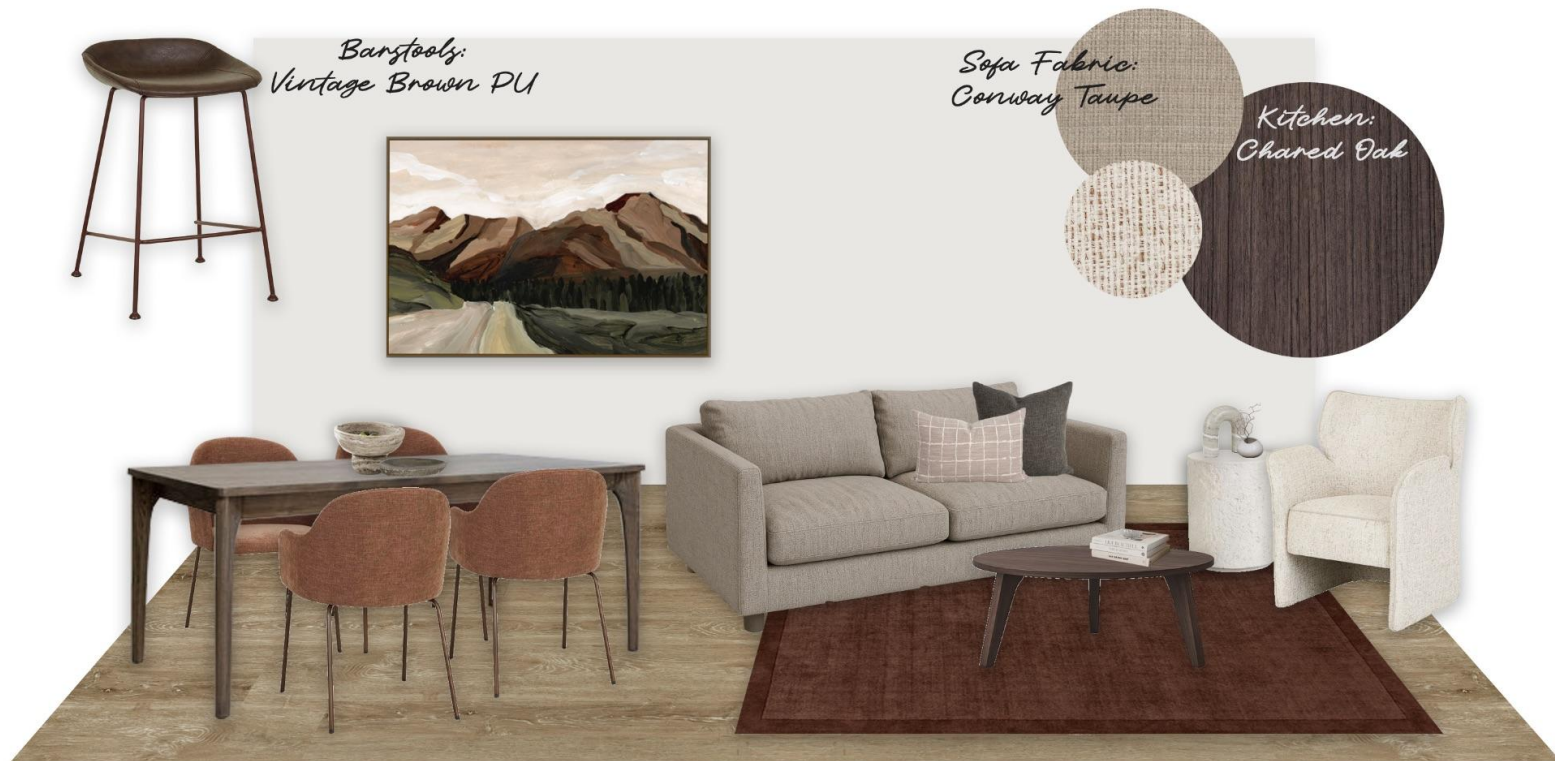

You'll also benefit from our proven after-care, marketing support at launch, and industry-leading range..

Thank you for sharing your vision with us.
We're excited to now share ours with you

About Us

Designed for designers, Soren Liv is a New Zealand-owned and operated company with manufacturing facilities and offices in Whanganui, and a showroom based in Auckland.

We're driven by a passion for beautiful design — the kind that elevates the everyday and brings connection, comfort, and joy to New Zealand homes and businesses.

A true labour of love, our in-house design team develops and curates a diverse collection of furniture and homewares crafted specifically for New Zealand residential and commercial spaces.

Contingency

We understand that in your business, it's essential that the products you choose continue to perform and deliver on their promise.

When placing a customised bulk order, we can work with you to include a percentage of additional covers, ensuring you have replacements on hand if needed in the future.

Soren Liv also carries a significant amount of stock and can supply substitute products with short lead times whenever required.
